

Library Activities

Lecture on "use of library resources for enriching your studies" by S. G. Mahajan, was organized in the library for F.Y.B.Sc. students on 24/9/2013.

Dr. S. G. Mahajan is a wellknown personality in the field of library science. He is a retired librarian of Jayakar Library, University of Pune. Dr. Mahajan has written 82 books on various subjects such as library science, history, biographies, history of Pune city etc. At the age of 82 he is still active in various fields of library science. Dr. Mahajan has received many awards for his valuable work. He has guided 6 Ph. D. students and 4 M. Phil. students and has written 125 research articles in different journals.

Dr. Mahajan guided B. Sc. Students about library resources which are useful for science students, methods of study, how students should prepare for the examinations, how to write answers etc. The lecture was very informative and students were attentive during the lecture. Dr. Nivedita Mahajan (Associate Professor; Department of Mathematics) has organized this programme, Librarian Mrs. M. S. Datre introduced Dr. Mahajan & Prof. S. R. Choudhary (Vice-Principal) expressed the vote of thanks.
